# Greetings from the General Manager

Happy Almost Spring!

The maple sap is flowing throughout Vermont and the ground is covered with a blanket of snow, just the way we like it this time of year. The views of the lake and Mt. Mansfield are as lovely now as they are during our season. The resort has been fairly quiet besides a few exciting projects. You can see a few hints of things to be on the look out for below.

I'm hoping you've been enjoying the off season and when you return to the resort, I hope to hear of your adventures and fun experiences. I'm missing all of your familiar faces and the opportunity to meet new guests. Luckily, there's only a few short weeks left until we can have fun together. Our golf tournament dates have been set as well as our picnics, meals, and festivals. The remainder of the recreation schedule will be available on our website within the next month. I have a good feeling about the 2021 season!

**Hint:** The area of the resort where you can find the "Keeler", "Champ", and "Hero" is getting a fresh interior look.

**Hint:** Soon you'll be able to see what you book when you book it.

**Hint:** Our .com is getting a makeover.

**Opportunity:** If you or someone you know would like to be a vendor at one of the festivals, teach a class, or hold a seminar that might fit into our activity or events schedule at the resort please reach out by emailing us at [getinfo@appleislandresort.com](mailto:getinfo@appleislandresort.com). We'd like to chat about details, scheduling, and compensation.

**Thank You,  
Brian Dye**

"2021 is the perfect year for  
boating on Lake Champlain!"  
-Champ

Early morning fishing sunrises are our favorite! Apple Island Marina still has a few slips available for the 2021 season. The Marina features a small shop with essential boating supplies, a fuel dock, and the Apple Island General Store is conveniently located across the street for coffee, breakfast, lunch, snacks, and beverages. We are only 20 minutes from Burlington and the closest marina on the Island. You can visit our website or call and speak with a friendly team member to learn more.
